

**Vantage Point** announces the publication of  
**MEMORY LAKE**  
By Nancy Kyme

**Sun, Wind, Rain and Stars – and a Lake at Camp that Stretches a Lifetime**

In this deceptively moving memoir of lost youth and adulthood reclaimed, Nancy Kyme captures the innocence – and power – of a not so bygone era before in-car videos replaced license plate-spotting and the most amazing feat of technology you could imagine was a satellite. A time when it took two pictures taped together to fit a large group of friends in one photo – and when going to camp not only changed your summer, but changed your life.

**MEMORY LAKE** takes the reader on an unforgettable journey of life at summer camp on the shores of Lake Michigan, where self-sufficiency in nature was learned, but where the most important resource of all became good friends. Told in flashback as Nancy drives to a camp reunion with her own daughter, dormant memories resurface with the force of a tornado...

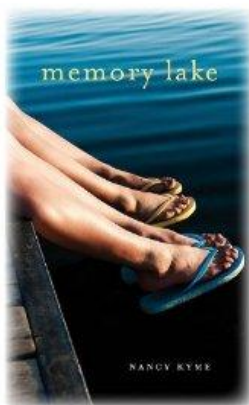

*Clouds were not supposed to reach down like destructive fingers from a cloudy fist. They were supposed to be sideways, parallel to shore, benign and harmless...*

...resurrecting moments, the lessons of which, can only be learned in the present when the mind and heart are prepared to know “in the blink of an eye, if the timing is right”.

In **MEMORY LAKE**, Nancy Kyme captures the innocence and purity of the James Taylor/Carole King era, when visiting any place named Sleeping Bear Dunes was

# vantage POINT

an adventure, not a punishment, and when the possibilities in life lay before you like ripples on a lake. A wonderful summer read for mothers and daughters alike, filled with best friends, campfire vignettes, and simple home truths that soothe like a grandmother's hug.
